

JUNIOR BEEFMASTER

**JBBA**

BREEDERS ASSOCIATION

**WE WANT YOU! ARE YOU READY?  
JBBA IS READY!**

**Junior Beefmaster Breeders Association** (JBBA), whose parent group is the fastest-growing junior beef breed reason! JBBA members gain valuable business and become better prepared to

contribute to the beef industry and agribusiness as adults.

JBBA was founded in 1984, as more and more young cattlemen became involved in the Beefmaster breed. Its membership has increased steadily and the number of programs JBBA offers to its members has grown significantly. JBBA is moving with the Beefmaster breed to the forefront of the beef cattle industry.

### ***JBBA's Purpose:***

- to continue the improvement of Beefmaster cattle nationwide;
- to promote the six essential characteristics upon which the breed has been developed: ***Disposition, Fertility, Weight, Conformation, Hardiness, and Milking Ability;***
- to improve and develop the capabilities of youth, both individually and through group participation, in breeding, raising and promoting Beefmaster cattle;
- to develop and improve scholarship, leadership and community interest among young cattlemen;
- to acquaint its members with the structure and function of Beefmaster Breeders United.

### ***Pursuing a higher education? We can help make your college dreams come true!***

Many JBBA members aspire to continue their education at the collegiate level and thanks to the JBBA Scholarship Program, some of them are able to receive financial assistance towards their college tuition. The JBBA Scholarships are awarded annually on the basis of involvement in JBBA, FFA and/or 4-H leaders, and/or other adults who are familiar with the member's work.

- Beefmaster Breeders Cattlewomen's Scholarship
