The cattle I am presenting for Classification are Certified Beefmaster Bulls and/or Certified Beefmaster Females of my own raising or, if purchased, are identified by official BBU Certificates of Breeding which will be available to the BBU Field Representative when presented.

Also eligible for Classification are First and/or Second Cross Beefmaster Females enrolled in the official BBU Up-Grading Program.

Eligible for Inspection as Base Females are commercial (straight-bred or cross-bred) females.

Upon receiving advance notice of the Ranch Visit date, I will have cattle ready and facilities available for branding.

I understand that payment of all fees is to be made at the time of the Ranch Visit.

Classification of Certified Purebred, First and Second Cross Beefmaster cattle is \$5.00 per head or \$350.00 per stop, whichever is greater. Note that neighbors within a reasonable distance of each other can share classification fees.

Consultation fee is \$250.00 (No charge with minimum \$250 Classification).

Inspection of Base, First and Second Cross Females is \$3.00 per head or \$250.00 per stop, whichever is greater.

Any "special" request for classification or consultation will be for the minimum fee plus travel expenses.

I will agree by the decision of the BBU Field Representative, I will not hold the BBU Field Representative or BBU liable for any classification they may place on any of my cattle. I further agree to release the Certificates of Breeding on all cattle classified as "X" cattle to the BBU Field Representative and not ever offer any bull or cow classified as "X" to any person as a Certified Beefmaster.
