Important Updates and Reminders...

1. You need to bring 2 copies of your health papers with you, one copy is for JBBA and the other copy is for Texas Animal Health Commission.
2. Please fill out the 2015 JBBA HOT Grant Funds Economic Survey and bring with you to pick up your registration packet.
3. Shavings- You must purchase shavings from the Brazos County Exposition Center for \$8.00 a bag. Brazos County Expo. Center will have both pelleted and flake shavings available. Please have correct cash or a check for shaving purchase.
4. Family Fun Night will consist of Barnyard Olympics! Make sure you bring clothes to get dirty in to participate. Pizza will be served at the conclusion of the games.
5. Reminder to all JBBA members and parents that it is your responsibility to make sure that you are on time for your class. Once the class has started being judged it is up to the judge on whether or not to allow you in the ring. We will not hold the class up for you.
6. No alcohol consumption shall take place inside of the Brazos County Exposition Center.
7. Plan on signing up for the Judging Contest during lunch on Wednesday, July 22nd. You must turn in your Showmanship number to the office by 9:00 a.m. on Thursday, July 23rd.

JBBA ULTRASOUND CARCASS SHOW

The JBBA Ultrasound Carcass Class was designed to help educate JBBA members and parents about the importance of collecting and submitting performance data on their Beefmaster cattle. In order to increase beef efficiency, we must use the most accurate data possible to make economically sound decisions. Proper age for animals to be scanned is between 320 and 550 days of age. Animals ultrasounded less than 320 days and more than 550 days of age will not be included in the BBU database for EPD calculations. Any animal is eligible to be scanned however animals that fall within the proper age break are only eligible for awards.

Rules

- a. Animals must be entered in the National Show to compete.
- b. All animals must be within the Age window for Ultrasound data collection of 320-550 days of age. (September 5, 2014- January 18, 2014)
- c. Ultrasound carcass class is open to both heifers and bulls. You may enter as many animals as you want (no limit).
- d. \$15 entry fee per animal.
- e. Not a mandatory show. You do not have to enter in order to participate in the JBBA all-around competition.
- f. Exhibitor must walk their animal through to collect scan data on.
- g. Classes will be determined according to the number of entries and will be broken into age appropriate classes (i.e. 90 days or less if possible depending on numbers entered)
- h. Ultrasound data will be collected by an Ultrasound Guidelines Council (UGC) certified technician or data may also be collected by a UGC chute side technician (someone that has passed both the field certification and the lab certification on the BIA Pro System).
- i. All data will be RAW and collected by a chute-side certified tech so that the software can interpret the collected images.
- j. Data will be processed through a Beefmaster friendly grid formula (selected by BBU staff) to determine a dollar value for each entry.
- k. Each class will be ranked according to carcass value and awards will be presented within each class. For this first year we do not plan to present an overall champion.
- l. If your animals have previously been scanned and data has been sent to the BBU office you may still enter the ultrasound carcass class.
- m. Previous scan data will not be used for ultrasound carcass class. All animals must be scanned during the Ultrasound Carcass class at the 2015 Nationals. Animals will be scanned by ages.
- n. An educational event detailing the process of marketing cattle on a grid basis and where we stand as a breed in relation to the Rib Eye Area and Intra Muscular Fat scores collected will follow the scanning process.
- o. Awards will be presented for all class winners.

Painted Springs Beefmasters

I've got to say, there's few things that make me smile like watching our youth show Beefmaster cattle - this is such a wonderful way for families share not just time together, but also the joy of watching one of Americas great cattle breeds get the attention that it deserves ! Good luck to all you young people - keep up the good work - ***Kix Brooks***
