Dear JBBA Members and Families,

It is with great enthusiasm that I invite you to join the Junior Beefmaster Breeders Association in Texarkana, Arkansas to celebrate our 34th annual JBBA Convention and National Show! Junior Nationals is all about fellowship, fun, and friendly competition. But the most important aspect of being a JBBA member is being part of something larger than yourself, the JBBA Family. Whether this is your very first JBBA Nationals, or your fifteenth JBBA Nationals everyone will walk away from Nationals knowing that here in JBBA, you're part of our herd.

I encourage each of you to spend the week with us in Texarkana. Our JBBA Board of Directors has been diligently working to plan a week full of activities for everyone in our JBBA Family to enjoy. This year we have adjusted our schedule for the week of Nationals by starting on Sunday, July 15th, and closing out the week with our Junior National Heifer Show and Awards Banquet on Friday, July 20th. This will give all our JBBA families plenty of time to travel home over the weekend and get an extra day of rest before going back to work the next week.

Our goal as JBBA members is to continue to raise functional Beefmaster cattle and understand their place in the cattle market. You will have the opportunity to exhibit your cattle in the Bred and Owned Heifer Show, Bred and Owned Bull Show, E6/Advancer Heifer Show, Showmanship, the Ultrasound Carcass Show, and the Junior National Heifer Show. Additionally, each JBBA member will have the opportunity to participate in multiple contests throughout the week including Public Speaking, Livestock Judging, Herdsman quiz, Autograph contest, the PowerPoint and Photography contest, Herdsmanship, and the All-Around contest.

If you are a senior JBBA member there are multiple scholarships that are available to you. We are very blessed to have Beefmaster breeders who are willing to support our endeavors of pursuing a secondary education. Take the opportunity to fill out a scholarship application. You will never know if you'll receive one unless you apply!

The second goal of our organization is to raise leaders for the future of the Beefmaster breed, and the beef industry. Being a part of the JBBA Board of Directors is just one way that you can contribute to our organization. If you are fifteen or older and think that you would like to run for a director position fill out an application, attend the leadership conference and JBBA Board meeting on the Monday of Nationals. As always, any JBBA member or parent is welcome to attend our JBBA Board meeting at Nationals.

Once again, I extend a warm welcome to each of you to attend the JBBA Convention and National Show this July. I promise you, it is an experience that you don't want to miss.

See you there!

Cristian Samano
JBBA President

- 4) Entries must be exhibited by the owner unless he or she owns two or more entries in the same class, whereupon another bona fide JBBA exhibitor may show one of the entries. If the entry is a pair, the cow must be exhibited by the owner.
- 5) Any JBBA exhibitor who is a qualified entrant to show and cannot, due to illness or injury while attending the show, may have their entry shown by another bona fide JBBA exhibitor.
- 6) Exhibitors must be a minimum of six years old on January 1st of the year of the show.
- 7) All contestants shall be broken into three divisions for the contests.
 - a) Junior Division shall be those who are 10 years of age and younger on or before December 31, 2017.
 - b) Intermediate Division shall be those between the ages of 11 and 14 on or before December 31, 2017.

(a) Article I, Bylaw 1 states: "*Junior members shall be elected to junior membership by the Board of Directors and shall be under the age of twenty-one (21) years on January 1st of the current year.*"

Qualifications of Animal

- 8) Official Interstate Health Certificates must accompany all cattle and must be presented to a representative of the show at the time the cattle arrive on the show premises. Usual state and interstate brucellosis and tuberculosis requirements will apply. **Every animal at the 2018 JBBA National Show must have an official health certificate verified by a licensed veterinarian within 30 days of the show and must meet state animal health commission requirements of the hosting state.** This show is an interstate (accepting animals from other states) show for livestock entries. Exhibitors with livestock originating outside the state of Arkansas are encouraged to contact their state animal health officials to confirm specific requirements, if any; their state may impose on animals returning from a Texas show. **Exhibitors need to bring 2 extra copies of their health papers.**

- 9) Original BBU Certificates of Breeding (not copies) on each animal shown, including any calf-at-side, must be presented to a representative of the show at the time the cattle check in. Application for a BBU Certificate of Breeding on calves less than 30 days of age must be presented. Official scramble registration papers with appropriate show stamp must be presented at check-in.

It is the member's responsibility to ensure that the brand or tattoo is legible** prior to arrival on the show grounds. Members will be **disqualified** if their animal does not have a matching tattoo or brand, or if the tattoo or brand is illegible. In the event of a disqualification, the next placing animal with matching identification will advance. Calves that show on the side of a cow must have a permanent identification number.
- 12) All cattle must have been owned by the entrant a minimum of 60 days prior to the show (May 21, 2018). Evidence of ownership is indicated by the date of sale on the registration certificate.
- 13) **NEW:** JBBA members are allowed to have partnership animals with another JBBA member (animals owned by parent-youth or adult-youth combinations are **not** eligible). However, if JBBA members are exhibiting cattle in a show, the same exhibitor must show both the cow and calf if they choose to enter both animals in their own respected classes.
(Example: Same JBBA member must show cow and either her heifer or bull calf in both classes if the JBBA member chooses to enter calf in separate class)
- 14) There is no limit to the number of heifers and or bulls an exhibitor may enter.
- 15) Heifers/Bulls that do not show the day of month of birth on their BBU Certificate of Breeding shall be considered to be born on the first day of that month.

Hair trimming is permissible and must be done in those few areas such as the neck and portions of the topline of the animal which may not lay flat against the body. Hair may not be trained upwards or forwards and/or pulled upwards or forwards on any part of the animal's body. No animals may have any foreign object(s) attached to it in any manner or have its natural color altered in a manner so as to change the conformation or appearance. An exhibitor who fails to abide by this rule will be dismissed from the arena and/or forfeit premiums, awards and points from the show.
- 17) Any heifer and or bull that, in the opinion of a designated BBU official, would be a detriment to the breed, shall be removed from the show, regardless of any prior classification. Examples would be animals exhibiting signs of low fertility, genetic, or physical defects.
- 18) Any uncontrollable animal will be dismissed from the ring at the discretion of the judge or show official/coordinator.
- 19) **Substitutions** will be allowed up to **July 16, 2018, 5:00 pm**, provided the substitution animal meets all other requirements and rules. There will be a substitution fee of \$25 per animal.

- i) Joint ownership of the dam is permitted; however, for offspring to qualify as a JBBA Bred & Owned animal, all owners of the dam must be JBBA members, except in the case of siblings where one sibling has become too old for JBBA membership, joint ownership is acceptable as long as the older sibling was a JBBA member and has maintained continuous uninterrupted membership in the BBU since the expiration of their JBBA membership, as determined by the BBU office.
- 21) All heifers, two (2) years and older on the day of the show **must be palpated safe in calf by a licensed veterinarian and so state on the health certificate**, with the exception of heifers nursing their BBU registered natural calf-at-side (under 6 months of age), in which case the heifer may show open.
