SUBJECT TO CHANGE

Letter from the President

Hello JBBA Members,

Well it's finally here—my favorite week of the year! It's the third week of July and we are in a familiar place with plenty of friendly faces and a laid back but still competitive atmosphere that is unmatched by any other cow show.

Of course I'm talking about JBBA Nationals where the Junior Board and I are excited to welcome everyone back to Belton for yet another awesome Junior National Show and Convention.

My name is Bennett Janssen, and I have had the honor and privilege of serving as your JBBA President this past year. As President, I have had the wonderful opportunity to do my part in leading this amazing Board of Directors and Ambassadors through all the planning and fundraising that goes into putting on the Junior National Show.

JBBA Nationals is a place full of familiar faces for most of us, but this year we welcome a few new faces to the barn! One of these is Laurel Kelley, our new JBBA Coordinator. She has been the biggest help to me and the rest of the Board, and this will be her first Nationals with us. I would like to commend her for all the work she has put in this year with our group.

I also want to thank all our donors and sponsors for believing in this organization and what JBBA can do not just for the Beefmaster breed, but also for the youth who choose to show Beefmaster and Beefmaster Advancer/E6 cattle. Without your support, none of this would be possible.

To the membership of JBBA, I want to thank y'all for the opportunity to serve this organization. It has been an awesome year and I can't wait to wrap it all up in Belton where we will be getting Wild about Beefmasters!

Sincerely,

Bennett Janssen

National Show & Convention Rules

Qualifications of Animal

1. Official Interstate Health Certificates must accompany all cattle and must be presented to a representative of the show at the time the cattle arrive on the show premises. Usual state and interstate brucellosis and tuberculosis requirements will apply. Every animal at the 2023 JBBA National Show and Convention must have an official health certificate verified by a licensed veterinarian within 30 days of the show and must meet state animal health commission requirements of the hosting state. This show is an interstate (accepting animals from other states) show for livestock entries. Exhibitors with livestock originating outside the state of Texas are encouraged to contact their state animal health officials to confirm specific requirements, if any; their state may impose on animals returning from a Texas show.

Exhibitors must bring 1 extra/additional copy of their health papers.

2. Original BBU Certificates of Breeding (not copies) on each animal shown, including any calf-at-side, must be presented to a representative of the show at the time of cattle check-in. Application for a BBU Certificate of Breeding on calves less than 30 days of age must be presented. Official scramble registration papers with appropriate show stamp must be presented at check-in.

3. All heifers and bulls must be registered with Beefmaster Breeders United (BBU) as a purebred and out of a BBU-Certified Purebred dam, Second Cross dam or as otherwise stated in the BBU By-Laws. Advancer and E6 heifers must be registered with Beefmaster Breeders United.

4. The tattoo or brand will be checked on the top five (5) placing heifers, top two (2) placing National Cow/Calf Pairs, Bred and Owned bulls, Bred and Owned heifers, and E6/Advancer heifers at the conclusion of each class and must match the permanent ID that appears on the original registration paper. ***It is the member's responsibility to ensure that the brand or tattoo is legible prior to showing the animal. Members will be disqualified if their animal does not have a matching tattoo or brand, or if the tattoo or brand is illegible.*** In the event of a disqualification, the next placing animal with matching identification will advance. Calves that show on the side of the cow must have a permanent identification number.

5. All cattle must be owned by the entrant a minimum of 60 days prior to the show day (May 21, 2023). Evidence of ownership is indicated by the date of sale on the registration certificate.

National Show & Convention Rules

Qualifications of Animal

6. JBBA members are allowed to have partnership animals with another JBBA member (animals owned by parent-youth or adult-youth combinations are NOT eligible.) However, if JBBA members are exhibiting cattle in a show, the same exhibitor must show both the cow and calf if they choose to enter both animals in their own respected classes. (Example: Same JBBA member must show cow and either her heifer or bull calf in both classes if the JBBA member chooses to enter calf in separate class.) Pertaining to partnership animals, the exhibitor entered in the show needs to be the exhibitor showing the animal.
7. There is no limit to the number of heifers and or bulls an exhibitor may enter.
8. Heifers/bulls that do not show the day of month of birth on their BBU Certificate of Breeding shall be born on the first day of that month.
9. All BBU registered animals must be shown with their hair coats lying downward and flat against their entire body. Hair trimming is permissible and must be done in those few areas such as the neck and portions of the top line of the animal which may not lay flat against the body. Hair may not be trained upwards or forwards and/or pulled upwards or forwards on any part of the animal's body. No animal may have any foreign object(s) attached to it in any manner or have its natural color altered in a manner to change the conformation or appearance. An exhibitor who fails to abide by this rule will be dismissed from the arena and/or forfeit premiums, awards, and points from the show. This applies to all National cattle shows.
10. Any heifer and or bull that, in the opinion of a designated BBU official, would be a detriment to the breed, shall be removed from the show, regardless of any prior classification. Examples would be animals exhibiting signs of low fertility, genetic, or physical defects.
11. Any entry that is unruly and poses danger to other exhibitors, or if exhibitor loses control of their animal twice during the class, the animal may be dismissed from the show arena by the judge or arena director or designee.

National Show & Convention Rules

Qualifications of Animal

12. Substitutions must be turned into the show office by July 16, 2023, at 8:00 AM. Substitutions will not be accepted during cattle check-in. The substitute animal must meet all other requirements and rules. There will be a substitution fee of \$30 per animal. An exhibitor may substitute an animal at the National Show and Convention within the same division. Example: Bull for a bull show entry only, Advancer/E6 for an Advancer/E6 show entry only.
13. To be eligible for Bred and Owned Show awards, exhibitors must present an original Bred and Owned certificate along with original BBU registration papers at time of check-in. Bred and Owned certificates may be obtained by contacting the BBU office and providing the registration number. Joint ownership, when both members are the breeder on record, will be accepted.
- Joint ownership of the dam is permitted; however, for offspring to qualify as a JBBA Bred & Owned animal, all owners of the dam must be JBBA members, except in the case of siblings where one sibling has become too old for JBBA membership, joint ownership is acceptable as long as the older sibling was a JBBA member and has maintained continuous uninterrupted membership in the BBU since expiration of their JBBA membership, as determined by the BBU office.
14. All heifers, two (2) years and older on the day of the show must be palpated safe in calf by a licensed veterinarian and so state on the health certificate, with the exception of heifers nursing their BBU registered calf-at-side (under 6 months of age), in which case the heifer may show open. Heifers that do not show the day of month on their BBU Certificate of Breeding shall be born on the first day of that month.
- All heifers with a registered BBU calf must be palpated safe in calf if the calf is over 6 months of age as of show day.
15. Nurse cows, recipient cows, retired show heifers with calves, etc., will not be allowed on the show grounds. The only animals allowed on the show grounds will be those entered in a class themselves.
16. Heifers two (2) years and older on the day shown whose calf has died cannot be shown.
17. Classes will be determined by age after all entries are completed. Best efforts will be made to keep class size uniform.
18. All heifers and bulls must be in place and checked in by show officials by 11:00 AM on Sunday, July 16, 2023.
