

## Important Virtual Meeting – July 2 at 12:00 p.m.

To help everyone prepare for the Beefmaster Junior National Show and answer questions regarding the New World Screwworm requirements, Dr. Bauer and I will be hosting a virtual meeting on Thursday, July 2, at 12:00 p.m. During this meeting, we will review all new arrival and health paper procedures and provide the latest updates.

As we prepare for the Beefmaster Junior National Show, we want to share several important updates regarding cattle health requirements and arrival procedures due to the current New World Screwworm regulations.

- Health Certificate Requirements
  - **All cattle attending the show must have an official Certificate of Veterinary Inspection (Health Papers) issued no more than seven (7) days prior to National Show move-in.**
  - **Health papers must include the required statement verifying that the cattle are not traveling from an infested zone.**
  - **Each exhibitor is required to bring TWO (2) paper copies of their health papers:**
    - Health papers will be reviewed upon arrival.
    - One copy will be collected at check-in.
- Arrival & Inspection Procedures
  - **All cattle will be inspected upon arrival before being allowed to enter the barn.**
  - **Cattle will not be permitted to enter the barn until the inspection has been completed.**
- Move-In Schedule: **Sunday, July 19 7:00 a.m. – 4:00 p.m.**
  - Please note that no cattle will be permitted to arrive after 4:00 p.m. on Sunday, July 19. We ask that you plan your travel accordingly to ensure a smooth arrival process.

**Also note that no pets will be allowed anywhere on the Ike Hamilton Expo Center grounds, including the RV parking area.**

Thank you for your cooperation and attention to these important requirements. We appreciate everyone's efforts to help us maintain a safe and successful Beefmaster Junior National Show. We look forward to seeing you soon!
